Clubs at Larchwood – Spring Term 2024/25

9 December 2024

Dear Parent / Carer

We pride ourselves on offering all children an array of extracurricular clubs, which are free of charge. This forms part of the Larchwood ethos. To ensure this is a transparent and fair process, we are asking all children to choose their three preferences in priority order. We guarantee that every child will be offered a place in at least one of these clubs.

Once again this term we are using the online booking system for clubs which is very simple to use. Please click on the link below to book your child's place in the club of your choice.

The booking system will go live at **4.00 pm tomorrow (Tuesday) and close at 5.00 pm on Thursday.**

Reception clubs are open to all reception children to drop into, so no need to book in advance.

This term we are pleased to be able to offer a morning club for the first time. Multisports Club will be run by Miss Chambers and will start at 8.00 am. This club is open to children in Years 3, 4, 5 and 6. Spaces are limited to 30 children. Children must come into school dressed in their sports kit and bring their uniform in with them to get changed into.

Basketball club will finish at 4.15 pm. Please ensure your child brings a kit for sporting activities as PE kits must remain in school. Lunchtime clubs will run for half an hour. **All clubs will start on Monday 13 January 2025.**

There will be a separate letter for Mr Duncan's football clubs which will be sent out on Monday. Football Clubs will run on the same days as last year: Monday Year 4, Tuesday Year 3 and Wednesday Year 5/Year 6. However Year 5/6 Football Club spaces this term will be limited to 24.

Choir club will still be running but due to Young Voices, there will be no new applications

Lastly, I would like to thank all staff that have taken the time to offer these opportunities and experiences for the children of Larchwood. Once again, they are going over and above.

Remember booking goes live at 4.00 pm tomorrow and bookings will close at 5.00 pm on Thursday.

Once the clubs have been finalised, you will receive a text message during the first week back in January to confirm which club your child has gained a place in.

If you have any problems accessing or using the system, please contact the school office.
