

NEWS & VIEWS

Achievement & Enjoyment

Headteacher Mr S Bowsher

Headteacher Comment:

Another busy week at Larchwood and the summer weather finally turned up as well. Our Geography fieldwork month continued this week with both Year 2 and Year 5 going on a local walk (although Year 2's was related to their English book). Year 2 also had a visit from a bee keeper who came and spoke to them all about looking after bees and today was our music day which included a drumming workshop for Year 3 and 4.

Of course, the highlight of the week was the two sports days. I took quite a few photos for X and when looking back at them the overarching theme was one of children trying their best and enjoying themselves – there is no doubt that the children demonstrated the Larchwood values. The day would not be a success without all of your support or without the hard work of Mrs Pirie and Mr Duncan, the parent volunteers and all the staff who help to make the day run smoothly. The overall final results are: 1st Place – Green Team, 2nd Place – Blue Team, 3rd Place – Red Team, 4th Place – Yellow Team.

General Election 2024

At previous general elections we have had to close the school due to the hall being used as a polling station. The good news this year is that the election office at Brentwood Council have agreed that they can use the two rooms they use at local elections at the Year 6 end of the school. As this can be kept locked and access is via the carpark, we are able to keep the school **fully open**. While I'm talking about the election, BBC Essex were in on Thursday talking to some Year 4 children about the upcoming election and what they would do if they became Prime Minister. I'll let you know when the item is being played on the breakfast show – I'm sure they've had some excellent suggestions. Below are some photos of events that have happened in school this week – have a great weekend!

National College Resources for Parents

As a school we subscribe to The National College. This is a fabulous resource for staff training on hundreds of topics. It also comes with a parent subscription option that gives parents access to training and resources in online safety, mental health and wellbeing, and climate education. To access this excellent resource just use sign up using the link below:
