This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

- Year 1 do 6 units across the year (one per half term)
- Years 2-6 do 5 units across the year.
- Each year group (apart from Year 2 and 6) study a genre of music for a unit.
- Each year group studies a BBC Ten Pieces unit.
- The history of music is covered in Music of the Month which is played in assembly each day and in class at least three times a week.
- Singing assembly each week for the whole school where we focus on aspects of singing.
- Children in each year group are taught to listen, describe, play and compose music.

- Taught for 30 mins a week.
- Music hub come into teach Year 3 for one term a year.

- KS1 – Learn the foundations of each strand of music – singing, playing, describing, composing, listening.

- Singing assembly and Music of the Month makes up the other 30 mins of the 1 hour guideline.

Part B: Co-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.
